NUC STERKFORTEIN TRIP

It's that time of year again folks, time for the very first NUC trip of the New Year (2018) and we are going to make it one to remember! For this year's **NUC Christmas party** we are off to **Sterkfontein Dam** with a fantastic host Divetek, so what do you need to know?

For starters, we have negotiated a **NUC members** rate resulting in the cost of the trip being drastically reduced as per the packages below for divers as well as non-divers and the nippers! Contact Wesley for further details on 084 500 4261

Divers	R2000.00
Non-Divers	R1200.00
Nippers (under the age of 13)	R900.00

We will all be staying in a luxury house right at the dam specially arranged for NUC, just a little more than 3 hours drive from the big city. For those of who are afraid of cold water don't stress, we're in summer so expect a minimum water temperature of about 20°C – No need for mittens, hoodies or dry suits for this trip!

We will be **leaving on Friday, 26 Jan** straight after work (back on Sunday afternoon), celebrate our safe arrival with a NUC style braai and head straight into bed for a Saturday full of diving. The amount of dives you do on Saturday is entirely up to you (remember your altitude tables) and we can cater for all levels of diving experience. Day dives are unlimited and remember we have a night dive pre-booked.

In short, the divers package will be including the following:

- **2 Nights' accommodation**
- **2 Breakfasts**
- **2 Lunches**
- **2 Dinners**
- **Unlimited day diving (and fills)**
- **1 Night dive**
